WRF and MEM,

Here are the numbers for this year's PSAT search. There's a big jump in our higher level searches – Asian Level1, High Scorers, and High BCHNP. We took out the GPA restrictions 3 years ago, when there was a dip in the numbers. If you like, I could put them back in.

I'll wait to hear from you before I hit the order button.

Thanks,  
EBY
