Once again you have done wonders. I am simply thrilled about all the folks you were able to admit. [Redacted] all big wins. ([Redacted] has already committed to a building and building [Redacted] committed major money for fellowships--before the decision from you!) and all are likely to be prominent in the future. Most importantly I think all of these will be superb additions to the class.

Thank you. I will ask [Redacted] to schedule that lunch.

Warmly,

David
